Phi Beta Mu

Phi Beta Mu is the highest honorary international band director's fraternity. It was organized to encourage the building of better band and the development of better musicians in schools throughout the world and to foster deeper appreciation of good music and more wide spread public interest.

Gamma Chapter of Phi Beta Mu was organized and the charter members initiated on November 27, 1953, at the state convention of the Indiana Music Educators Association. There are presently nearly 100 active members in the state of Indiana.
