CONDUCTED BY DOUGLAS AKEY

Douglas Akey began his musical training in the public schools of Elmhurst, Illinois. He attended Arizona State University on a performance scholarship, earning a Bachelor of Music degree in Instrumental Music (1979) and a Master of Music in Solo Performance (1985). He also studied brass performance for two summers at the Banff Centre for the Performing Arts in Alberta, Canada. His mentors on horn were Carroll Simmons – Grant Park Orchestra (Chicago), William Strickland – free-lance hornist (New York), Ralph Lockwood – Arizona State University, and Roland Pandolfi – Principal Horn, St. Louis Symphony.

Mr. Akey has taught band at the middle level in Arizona for forty-one years. His bands have been invited to perform at numerous education conferences, including the 1994 Midwest International Band and Orchestra Clinic and the 1998 Music Educators National Conference. He is in demand as a clinician, having directed many junior high and high school honor bands, and presented sessions at music conventions throughout the country. He is currently teaching Music Technology, in addition to band, at the Mesa Academy for Advanced Studies.

In 1985, Mr. Akey received the Stanbury Award of the American School Band Directors Association as the outstanding young junior high school band director in the United States. Since that time, he has gone on to become recognized as an accomplished composer. His works have appeared on dozens of state contest lists and are performed by bands throughout North America, Europe, Australia and the Far East. In 1996, he was honored as the National Federation of Secondary Schools Music Educator of the Year for Section 7 (Arizona, California, Hawaii, Nevada and Utah).

Mr. Akey is an active performer, having played with the Del Sol Brass Quintet and Arizona Brass Quintet, as well as the Phoenix and Tucson Symphony Orchestras. He currently serves as the Music Director of the Tempe Symphony Orchestra.

SPECIAL THANKS TO: PAIGE'S MUSIC FOR PROVIDING MUCH OF THE JR. ALL-STATE BAND'S PERCUSSION NEEDS.
